ADVANCED
Offensive Skills***

April 22-23

@ Hamilton High School

Boys

Grades 3-11

This is an extremely intense and physically demanding offensive skills camp designed for the serious basketball player. It is our goal to make sure that every player improves their offensive skills at camp and after camp each player will have experienced how hard you must work in order to truly become a better player.

This is a highly intensive/offensive instructional camp that emphasizes skill development rather than team play. Attending camp in good physical condition, with

a willingness to work and a passion to improve is extremely important! At Camp each player will have a basketball! The camp is extremely organized and there is no down time. We will emphasize getting in quality repetitions. We subscribe to the theory that says, "If you do it a million times in practice, then you will do it in a game with confidence and composure." We're asking coaches to send their top players!!
